

Parents and Students:

My apologies to senior students and parents, we will work to update the Charms account next week during pre-camp so that you don't continue to receive emails. Please be patient with us one more week!

Here is the schedule for the carwash on Saturday. The carwash will be at Meyer Music on 135th and Quivira. We are running low on carwash towels so if everyone could bring one old towel that they could donate to the program permanently that would be very much appreciated. Leadership team I will need some of you to meet me at East at 8:45 on Saturday morning to help load out equipment. We do not have all the contact info for all the new students yet, so please make an effort to reach out to any incoming freshman students that are going to march (that you might already know) and let them know about the schedule.

9:00 to 11:00- Drumline (pit and battery), Saxes, Mellos

11:00 to 1:00- Flutes, Clarinets

1:00 to 3:00- Trumpets, Trombones, Baritones, Tubas

Pre-camp begins Monday, June 4th and runs just like regular camp later in the summer. Times are 7:00 a.m. to 11:00 and 1:00 to 3:30. Students should plan to meet in the band room the first morning and up on the field the remainder of the mornings. The lunch is an open lunch period. Students are welcome to go out to lunch with friends, go home, or stay at school and eat but they will be unsupervised as the staff will usually leave for lunch. We will be outside in the mornings and inside in the afternoons. Please make sure you bring sunscreen, tennis shoes, and water bottles. Students should try to get outside some in the days leading up to camp so they can start to become acclimated to the heat and humidity. They should also pre-hydrate by drinking water the days leading up to camp.

Thanks,

Mr. Smikahl

Jeff Smikahl

Director of Bands
