

Parents and Students:

A quick reminder that we will have our area festival concert on Tuesday evening at 7:00 p.m. in the main gym. We will be setting up a little different than in the past. 7th, 8th, and Wind Ensemble will be facing towards the South side of the bleachers. Concert band, and Symphonic Band will be facing the North side of the bleachers. We are trying this format out because it will put all the percussion in the middle of the floor and will allow quicker changes with equipment in between songs. It will also give you a little more room as we will be using all of the bleachers on both sides of the gym. Jazz band will be on the far East side of the gym and will be facing West towards the commons. Students should report at 6:30 p.m. All band members should be dressed in their concert uniforms except for students in third hour. Students in third hour can just "dress nice" like they have done at the previous concerts.

Thanks,

Mr. Smikahl
