

Parents and Students:

I sent the attached information out several months ago. However, we are nearing the deadline for us to turn in numbers to our drill writer for next year so I wanted to take a moment to emphasize it.

Both the pre-camp and the full band camp are required. We learn 50-60% of our show at those camps and it is critical to our success as one of the top marching bands in Kansas that we have all our performers at these camps. Students who do not attend the camps without notifying Mr. Smikahl may be removed from the half-time show. We believe in students being able to be in marching band and be involved in multiple activities but in order for this to work it is critical that there are open lines of communication so that we can work through conflicts. Please email Mr. Smikahl by Monday if you have any conflicts with camp or performances that you are currently aware of.

Thanks,

Mr. Smikahl
