

Parents and Students:

We have some students that are helping with a new program at P.T. to tutor band students. If your child is not involved in this program you may delete this email. I have talked to all of the students involved in person and they know who they are. Sorry I did not have a way to filter the email group down from everyone.

For those that are involved the tutoring lessons will begin tomorrow. Some students are signed up for Tuesdays, some on Thursdays. They will be giving private lessons every week to the same student so it is extremely important that they take this very serious and not miss unless they are sick or some other absolute emergency. When they need to miss they will need to contact Laurel Carder who is helping run the program along with Mr. Holmes. Students will earn volunteer service hours for groups like NHS. I will also give them points towards lettering in band. In order to make sure they are not late Mrs. Lane has given these students permission to leave school 5 minutes early on the day of their lesson in order to beat the traffic jam. Please sign the attached form and have them bring it back tomorrow so that they are able to leave early.

Thanks,

Mr. Smikahl
