ORANGE & BLUE BBQ 2020 AUCTION COMMITTEE**

To our friends at \_\_\_\_\_

This is the time of year that parent volunteers from the Olathe East Orange & Blue Brigade usually come to you asking if you would support the band with a donation to our annual BBQ & Silent Auction.

However, in light of current circumstances with COVID-19, we're doing things a little differently this year. We understand that many businesses—including yours—have had to close or drastically reduce their normal practices while stay-at-home orders have been in place.

**So the Orange & Blue Brigade has decided it's our turn to support those businesses that have so graciously supported us in the past.** We are asking any of our patrons who are financially able to purchase a gift card or other item that your business would normally donate so we can use it at our annual auction. It's our small way of thanking you for your past support of Olathe East Bands and letting you know that we are grateful to have your business in our community.

We will continue to list your business as a supporter of Olathe East Bands in our programs throughout the year.

Together we are stronger.
