

Parents and students:

Again my apologies, the gradebook has still not been updated so please delete if your child has graduated or is not in marching band for the fall!

A quick reminder that we start pre-camp tomorrow for all new marchers, all drumline students (pit and battery) and all leadership team members. Every one else reports to camp on Tuesday. We will keep our normal schedule of 7 a.m. to 11 a.m. and 1 to 3:30 with an open, unsupervised lunch. Students are welcome to stay at East and eat, go home, or go out, but we will not be supervising students during that time.

Also, please don't forget your instrument, sunscreen, tennis shoes, and a water bottle with your name on it!

Thanks,
Mr. Smikahl
