Parents and Students:

I wanted to highlight a few quick reminders for tonight. Students should report to the band room at 5:00 p.m. The buses will leave at 5:30 p.m. Students should wear their show shirt and tall black socks. Anyone with long hair must have it up so that it will stay underneath the shako while doing all of the body movement. Students should eat dinner prior to arriving for the buses if possible. We do have third quarter off that students can visit the concession stands if they are hungry. A typical arrival time back at East for the buses is 9:30, but it will completely depend on how the game goes and how many timeouts they take. A reminder that for the safety of the students we need special permission travel forms turned in before we leave from East to go to the game, we do not allow on site travel arrangements. We also ask that students who are having a parent pick them up (instead of driving themselves home) at East call from the buses on the way home so that there is as little wait time as possible for the staff to be able to also go home.

The students have been working very hard and we are excited to share the first 2/3 of the show with everyone tonight!

Thanks,
Mr. Smikahl
