Parents and Students:

I wanted to send out a quick reminder about the Olathe District Marching Festival on Monday. Students in 3rd and 7th hour are required to attend and should report to the band room at 5:15 p.m. and will ride the bus to and from the event with us. They are asked to wear the orange Olathe East shirts they received at the beginning of the year. There have been several students that have talked to me about conflicts with athletic events that afternoon. A parent may take them to the District Festival directly after their athletic event if they come in the band office and get a special permission travel form from us and turn it in on Monday. For students that have a conflict with Monday night that will keep them from participating that evening the make-up would be to attend the home football game with us on Friday, October 4th with us. Report time would still be 5:15 p.m. If neither of those options work students should come in to the band office Monday at the beginning of class and we will discuss other make-up work options.

Thanks,
Mr. Smikahl
