

Parents and Students:

Attached is the information regarding KBA. As I indicate in the document, they submitted a proposal to campus police regarding parking for the event and they were denied. So, they are still working on finalizing parking. I will try to send out details as soon as they are provided to me, but I wanted to go ahead and get this information sent out.

Another quick reminder that Friday night is Senior Night and also our annual Glow Show performance. Parents of seniors please report down to the field before the start of the half-time performance so that Mrs. Creek can help get you lined up. Because of the Senior Night activities we will only be performing a portion of the show at half-time but will perform the entire show during the Glow Show. Instead of our usual pre-game performance we will be performing; at the tailgate fundraiser before the game. We plan to perform at the tailgate around 6:15 p.m. Tickets are available in the front office at East for parents wanting to attend are \$10 for a pulled pork sandwich, chips, soda, and cookie. Money raised will help the faculty scholarship fund. In the past we have had the students eat at this tailgate as well, but since it is later in the year and we also have other events happening that night we will not be eating at the tailgate. Students should plan to eat before they arrive and report to East at 5:00 p.m. like normal. They need to remember to bring warm dark clothes to change into for the Glow Show as well.

We are still in need of some help at events. Below is information about sign-ups from the boosters.
