Parents:

I know many of you are waiting on details for this weekend at KBA. I hope to get that information out tomorrow morning. This information relates to the event we are hosting only.

We need approximately 150 volunteers just from East (a total of 300 for the day) to pull this event on Saturday, October 26th off. Please consider signing up. Even if you can't do a full shift that is detailed on the chart please consider doing what you can. We tried to break things into smaller segments to make it easier. If this event is not successful in the first year, then it will probably not survive into year two. If the weather is good I think we could really make a lot of money for the band. It is critical that we really knock it out of the park this year so that it can be a great event moving forward.

I am not ready to have East band students sign-up yet for the event as I am working on some logistics due to our exhibition performance at 5:00 p.m. At this point I would prefer that just parents sign-up until we finalize plans for students. I hope to have that information out to students by Friday.
