

Parents and Students:

A quick reminder that our annual Bingo Fundraiser event is this coming Sunday, January 27th. Tickets are available for purchase **now** on the band website!

[www.oeband.com](http://www.oeband.com)

We do not require a set number of tickets to be sold per student, but as I told the students in class, if every student that is going to be in the marching band next year could sell two tickets we would easily fund our show. This is our primary fundraiser for our competitive marching show and with the largest budget cuts to my building budget that I have had in my 20 years at Olathe East it is critical that this event is a success if we are going to continue to operate at a high level and continue to be one of the top three marching band programs in Kansas. We have some really fantastic prizes that we will be playing for and we hope you and a friend can join us for a lot of fun and for a chance to win one of them! Please follow our social media accounts on Twitter, Instagram, and Facebook for more updates leading up to the big day!

Thanks,

Mr. Smikahl
