Parents and Students:

A reminder is one of the most important evenings of the year when we celebrate our wonderful senior class of band students! Report time is 5:00 p.m. and we are wearing our show shirts under the uniform.

Below is the information from Dr. Holder about how the halftime process will work for parents and senior students:

**Halftime Recognition: Band Seniors:**

***Band Senior parents move to band warm up area with 7 minutes remaining in second quarter.***

Jennifer Creek will arrange you in announcement order.

Gail Holder will move half of parents to far side of field. The other half will remain at the warm up end of field with Jennifer Creek.

Band will move onto field and play one number from their field show.

Band will remain on the field and parents will move onto field behind the front ensemble. Parents will be standing in a straight line facing the stands and band members will join them.

*Band seniors will join parents on field from ending position.*

As band seniors are announced, they will step forward and remain forward until all seniors are announced.

Once complete, all will exit the field walking back towards staging area.

After the game we will be performing our entire show for the first time this year! Looking forward to celebrating some amazing students this evening!

Thanks,  
Mr. Smikahl
